

Coach Criteria

To become a coach as part of the KSS LC Coaching Network, applicants must fulfil the following criteria:

Criteria	Yes/No
Have successfully completed a recognised accredited coach training programme (EMCC/ILM) to a minimum of level 5;	
Have a well maintained learning log and portfolio of evidence for their coaching, including certificates of accredited qualification(s).	
Have evidence of CPD and supervision within the last 3 years or demonstrate willingness to attend a minimum of two CPD and two supervision sessions each year. Blended learning approaches are acceptable;	
Have experience of being coached as well as coaching others;	

KSS LC asks Coaches to commit to:

- Three coaching relationships of 4-6 sessions each year (This is on the proviso that the coach is requested)
- Attend two supervision sessions a year (these can be individual or group)
- Attend two CPD events a year commissioned by KSS LC

Next Steps

If you have read this information and are happy that you fulfil the criteria to become a coach as part of this network, the next stage is to get you registered. Please follow the link below and choose the 'register as a coach' to get started. Your application will then go to the KSS LC Coach Steering Group for approval.
